How to create *AWS Educate* account

# Go to your received email from AWS Educate Support

The screenshot shows a Gmail interface with a browser window at the top displaying the URL `mail.google.com/mail/u/2/#inbox/FMfcgxwJXLjVvKxQjQHztQcdjvXZnlRL`. The Gmail header includes the 'Gmail' logo, a search bar, and various icons. The left sidebar shows the 'Inbox' with 1 email, along with sections for 'Starred', 'Snoozed', 'Sent', 'Drafts', 'More', 'Meet', and 'Hangouts'. The main content area displays an email titled 'Your AWS Educate Application' from 'AWS Educate Support <support@awseducate.com>' received 1 minute ago at 7:15 PM. The email body contains the following text:

Hi -

Your educator Darshin Shah submitted a request for AWS Educate program benefits in support of your work at Silver Oak College Of Engineering And Technology.

Click [here](#) to complete the AWS Educate application process and receive access to program benefits, including cloud career learning pathways, access to AWS resources and promotional credit through the AWS Educate Starter Account, and access to the AWS Educate Job Board, where applicable.

Please apply using the link above to accept this invitation. If you do not wish to proceed, ignore this email.

Thank you,

AWS Educate

At the bottom of the email are 'Reply' and 'Forward' buttons. A red circle highlights the underlined word 'here' in the paragraph about completing the application process. A red arrow points from the text 'Click Here to Begin Registration' to this circle. In the bottom right corner, there is a 'Activate Windows' watermark with the text 'Go to PC settings to activate Windows.'

# Fill the Following Details:

### AWS EDUCATE TERMS AND CONDITIONS

(Last Updated April 30, 2019)

#### 1.0 YOUR AGREEMENT WITH AWS

**1.1 This Agreement.** This set of terms and conditions (this "**Agreement**") is an agreement between you (or the Entity you work for) ("**you**") and Amazon Web Services, Inc. or other entity noted in Section 10 (in either case, "**AWS**," "**we**," or "**us**"). This Agreement governs your participation in the AWS Educate Program (the "**Program**") described at <https://aws.amazon.com/education/awseducate/> and its subpages (the "**Program Site**"), including (a) your use and submission of data, text, audio, video, images, software (including machine images), or other materials (collectively, "**Content**") in connection with the Program; and (b) your use of any tools, websites, and services AWS may provide to you in connection with the Program (collectively, the "**Educate Tools**"). If you are entering into this Agreement for a commercial entity, government institution, or any other entity ("**Entity**"), such as the company or educational institution you work for, you represent that you have legal authority to bind that Entity, and references to "you" in this Agreement will be deemed as referring to that Entity. If you have an AWS Customer Agreement (available at <http://aws.amazon.com/agreement/>) or other agreement between you and AWS governing your use of AWS services ("**AWS Services Agreement**"), that agreement will govern your use of the web services described in the Service Terms of the agreement and any other Service Offerings covered by (and as defined) therein.

*You must scroll through the entire Terms and Conditions before accepting or declining.*

Activate Windows

Go to PC settings to activate Windows.

# Click on I Agree check box.

## Terms & Conditions

Preferred Language: English

English language version of this Agreement will control if there is any conflict.

### 10.0. CONTRACTING ENTITY

Notwithstanding anything to the contrary in these Terms:

**10.1 India Customers.** If you are located in India, your contracting party will be Amazon Internet Services Private Limited ("AISPL"), and this Agreement is an agreement between you and AISPL, located at Ground Floor, EROS Plaza, Eros Corporate Centre, Nehru place, New Delhi, India - 110019. If you are located in India, all references to "AWS," "we," or "us" in this Agreement shall be deemed as referring to AISPL. Additionally, if you are located in India, this Agreement shall be deemed to differ from the above provisions as follows:

- (a) The Amazon.com Privacy Notice defined in Section 4.1 shall be deemed to refer to the Amazon.in Privacy Notice located at <http://www.amazon.in/gp/help/customer/display.html/?nodeId=200534380>; and
- (b) Under Section 9.5, any notice by you to AISPL under this Agreement must be made by registered or certified mail to Amazon Internet Services Private Limited, Ground Floor, Eros Corporate Towers, Nehru Place, New Delhi - 110 019, India (not to Amazon Web Services, Inc.).

*You must scroll through the entire Terms and Conditions before accepting or declining.*

Wait for Your Application Approval .You Will Shortly Get an Email

---

# After Being application reviewed you will receive and email from AWS education support

The screenshot shows a Gmail interface with the following elements:

- Browser Tabs:** 'AWS Educate Application Approved' and 'Login | AWS Educate'.
- Address Bar:** 'mail.google.com/mail/u/0/#inbox/FMfcgwxvJXLjvNNSmrxptBKMImXgdLjq'.
- Gmail Header:** 'Gmail' logo, search bar, and user profile icon.
- Left Sidebar:** 'Compose', 'Inbox' (1), 'Starred', 'Snoozed', 'Sent', 'Drafts', 'More', 'Meet' (Start a meeting, Join a meeting), 'Hangouts' (Mona).
- Email Content:**
  - From:** AWS Educate Support <support@awseducate.com> (2 minutes ago)
  - Subject:** AWS Educate Application Approved
  - Body:**

Dear monali,

Congratulations!

Your AWS Educate application has been approved. As a member of the AWS Educate program, you will gain access to the benefits listed below:

**AWS Educate Student Portal**

The AWS Educate Student Portal is the hub for AWS Educate students around the world to find AWS content to help with classwork, connect to self-paced labs and training resources.

**Click here** to set your password and log in to the AWS Educate Student Portal. After logging in, click "AWS Account" at the top of the page to access your AWS Educate Starter Account. Use this feature to gain access to the AWS Console and resources, and start building in the cloud.

Bookmark the AWS Educate Student Portal for easy access, or [click here](#) to sign in directly.

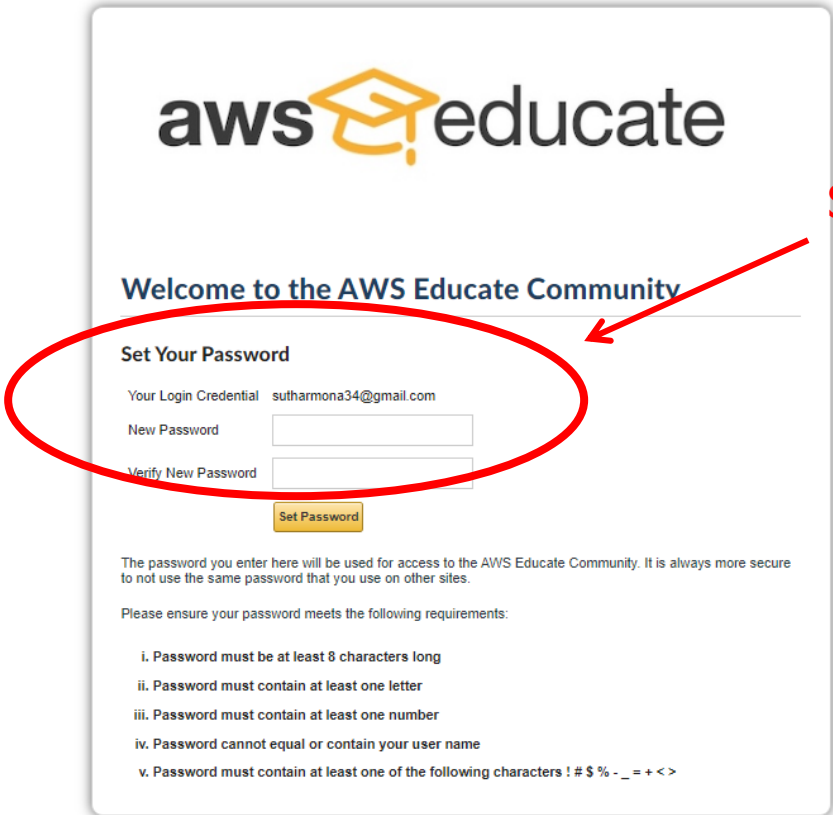

You can access a video walk-through of the AWS Educate Student portal [here](#).

**Free AWS Essentials Training**

To access our foundational AWS Cloud Practitioner Essentials online learning class for free and find other self-paced labs, you must have either an AWS account or an Amazon ID.

If you have an AWS account, sign in and [click here](#) to receive these benefits.

# Set Your password

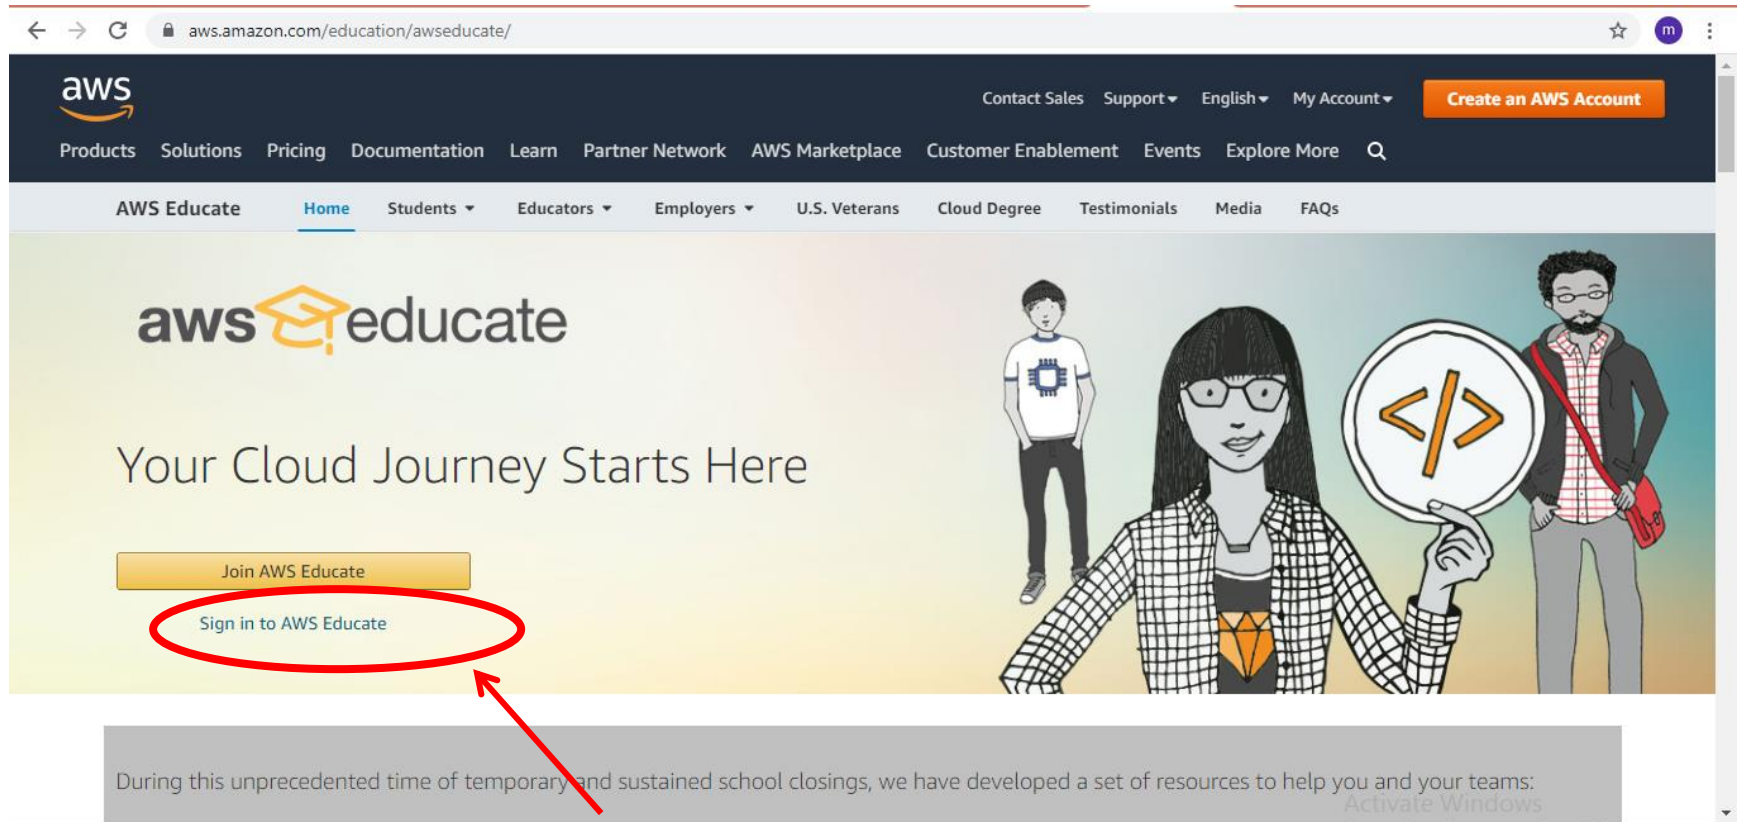

The screenshot shows a web browser window with the URL `https://www.awseducate.com/student/VerifySelfRegistration?token=c8fb4f3c766888ccbbf612e4108c7232`. The page features the AWS Educate logo and a heading "Welcome to the AWS Educate Community". Below this, the "Set Your Password" section is highlighted with a red circle. This section includes a "Your Login Credential" field with the value `sutharmona34@gmail.com`, and two input fields for "New Password" and "Verify New Password". A yellow "Set Password" button is located below these fields. A red arrow points from the text "Set Your Password" to the red circle. Below the password fields, a message states: "The password you enter here will be used for access to the AWS Educate Community. It is always more secure to not use the same password that you use on other sites." This is followed by a list of password requirements:

- i. Password must be at least 8 characters long
- ii. Password must contain at least one letter
- iii. Password must contain at least one number
- iv. Password cannot equal or contain your user name
- v. Password must contain at least one of the following characters ! # \$ % - \_ = + < >

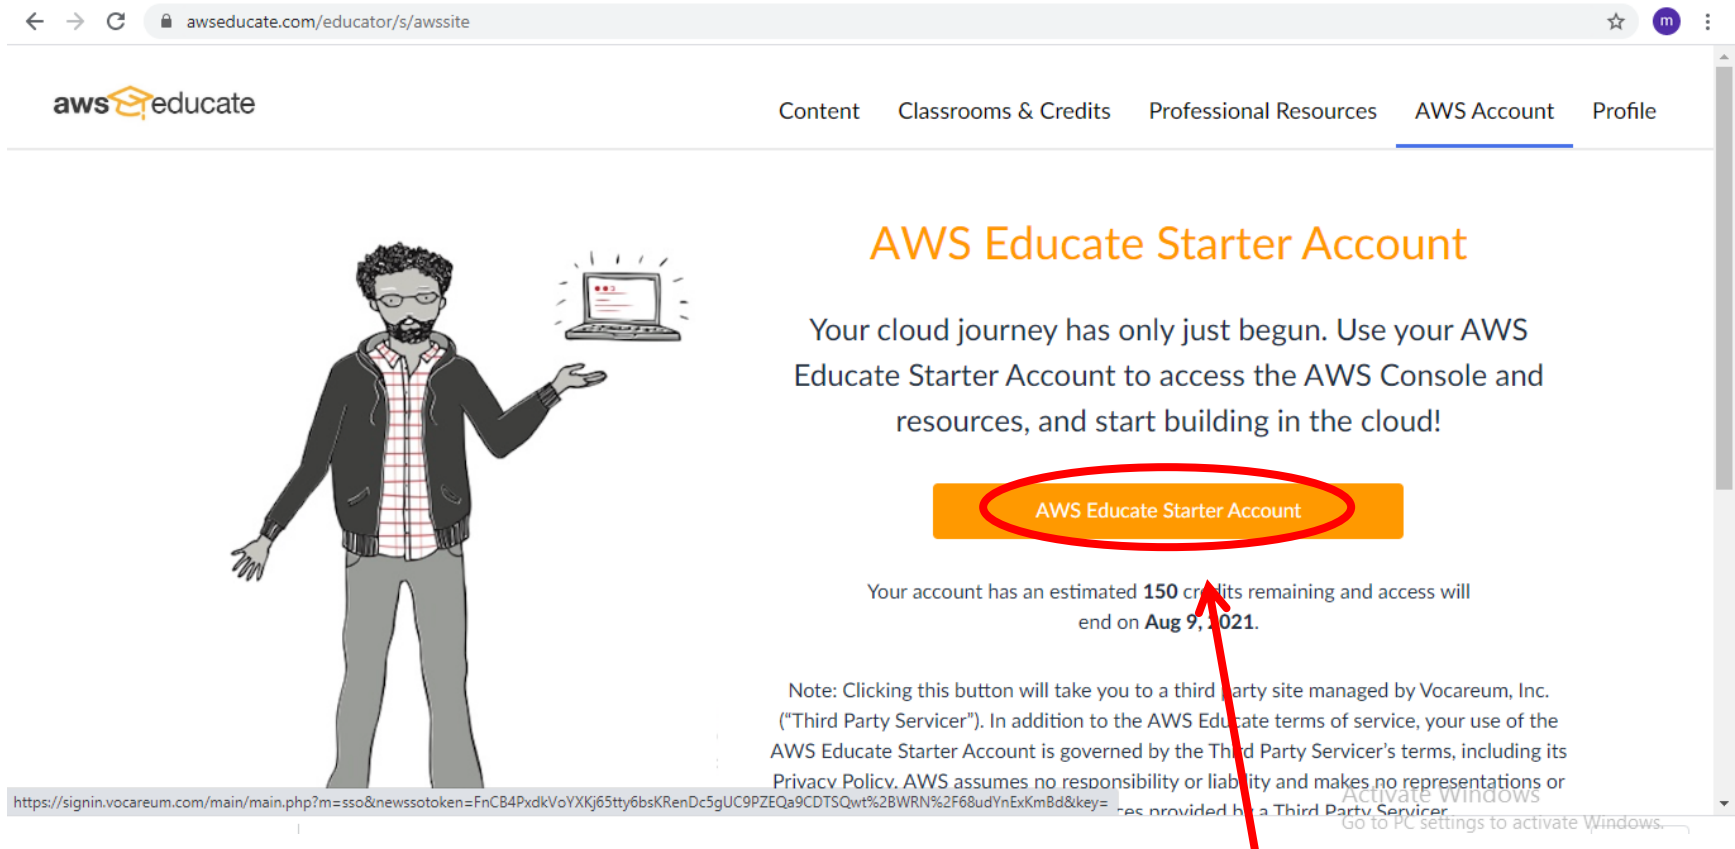

An "Activate Windows" watermark is visible in the bottom right corner of the browser window.

## AWS Educate Starter Account

Your cloud journey has only just begun. Use your AWS Educate Starter Account to access the AWS Console and resources, and start building in the cloud!

**AWS Educate Starter Account**

Your account has an estimated **150** credits remaining and access will end on **Aug 9, 2021**.

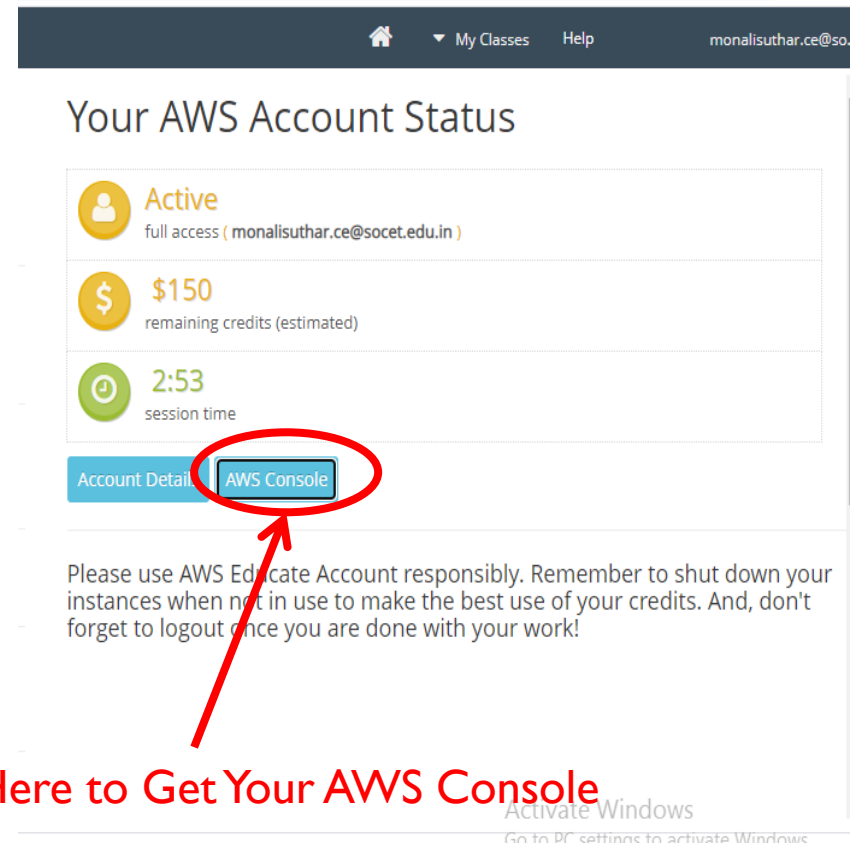

Note: Clicking this button will take you to a third party site managed by Vocareum, Inc. ("Third Party Servicer"). In addition to the AWS Educate terms of service, your use of the AWS Educate Starter Account is governed by the Third Party Servicer's terms, including its Privacy Policy. AWS assumes no responsibility or liability and makes no representations or warranties provided by a Third Party Servicer.

<https://signin.vocareum.com/main/main.php?m=sso&newssotoken=FnCB4PxdKVoYXKj65tty6bsKRenDc5gUC9PZEQa9CDTSQwt%2BWRN%2F68udYnExKmBd&key=...>

Activate Windows  
Go to PC settings to activate Windows.

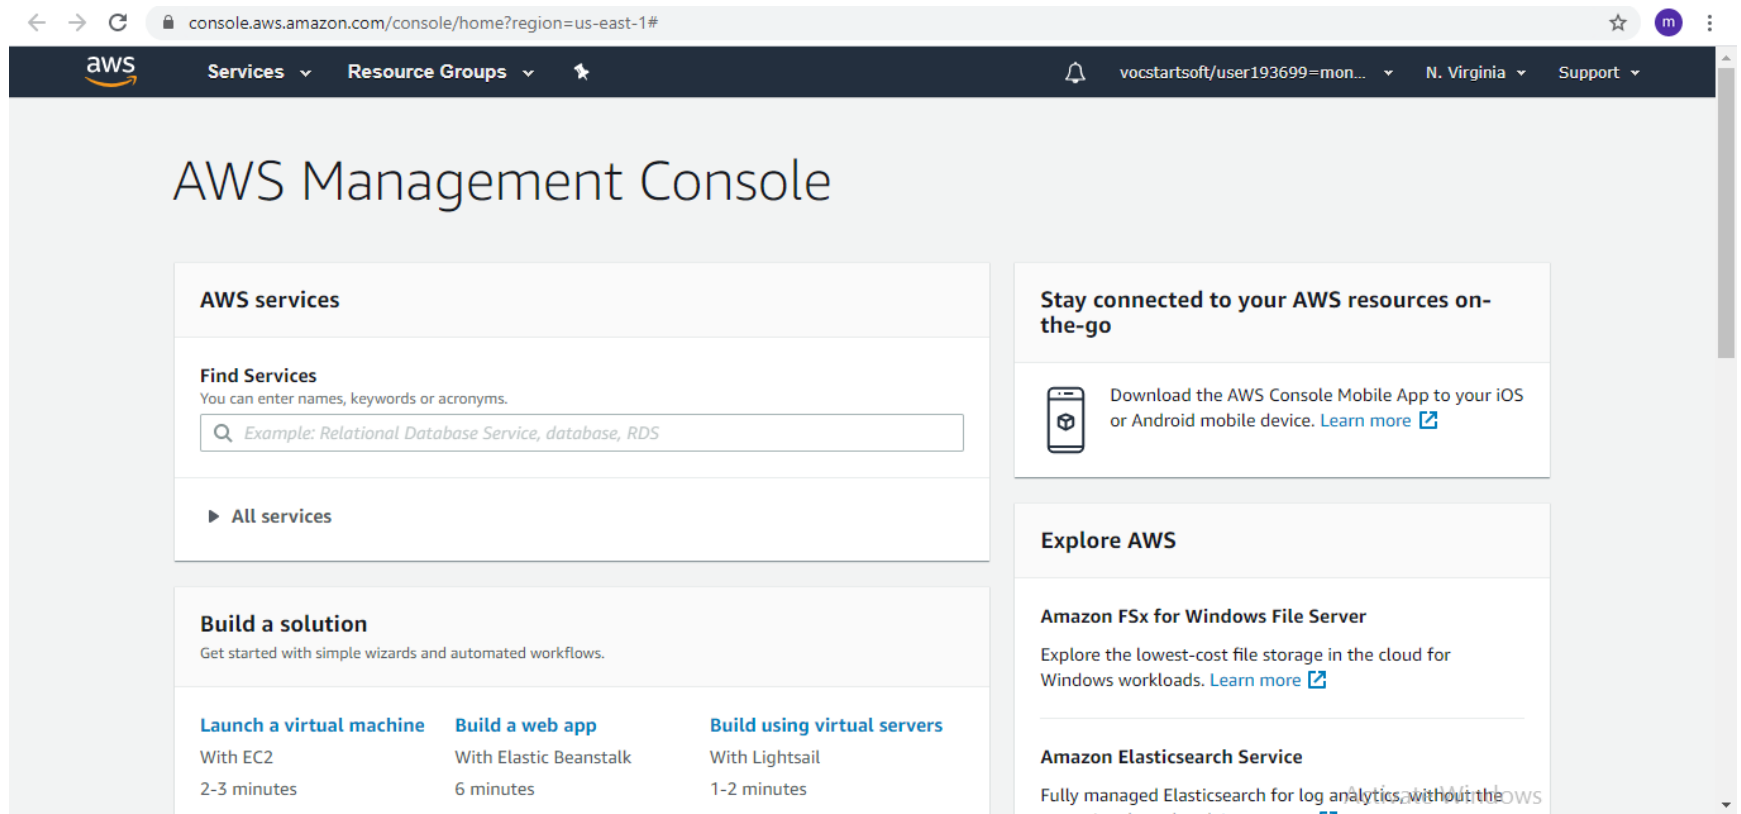

**Access Your AWS Educate Starter Account**

- ▶ Click on AWS Console to sign-in. If you have a pop-up blocker on, you may need to disable it. Additionally, if you already have an AWS account, you will be required to **sign out** before accessing your starter account.

Click Here to Get Your AWS Console

# Your Account is ready to use

The screenshot shows the AWS Management Console interface. At the top is a navigation bar with the AWS logo, 'Services' and 'Resource Groups' dropdown menus, a star icon, a notification bell, the user 'vocstartsoft/user193699=mon...', the region 'N. Virginia', and a 'Support' dropdown. Below the navigation bar is the main heading 'AWS Management Console'. The content area is divided into several sections: 'AWS services' with a 'Find Services' search bar (placeholder: 'Example: Relational Database Service, database, RDS') and a link to 'All services'; 'Build a solution' with three options: 'Launch a virtual machine' (With EC2, 2-3 minutes), 'Build a web app' (With Elastic Beanstalk, 6 minutes), and 'Build using virtual servers' (With Lightsail, 1-2 minutes); 'Stay connected to your AWS resources on-the-go' with a mobile app download prompt; and 'Explore AWS' with cards for 'Amazon FSx for Windows File Server' and 'Amazon Elasticsearch Service'.
